Growth pains

They started...

...when I was a young boy.

Unbearably so.

At night, my legs would ache.

They would ache and ache...

...to the point I struggled to even sleep.

Though I grew taller,

my bed shrunk shorter.

I dreaded having to go to bed.

Oh, my...

I wish I could have switched places with you.

Why, thank you.

Does it still hurt?

So you can sleep in peace now?

How old were you when you were my height?

Any moment...

...ish...
